

Ophthalmology Information Session and Tour Booking Form

Centre for Eye Health (CFEH) invites ophthalmologists in NSW and the ACT to attend an information session and tour at the Centre, located on the University of New South Wales Kensington campus in Sydney.

Attending an information session and tour will provide you with the opportunity to:

- engage in a question and answer session about the Centre;
- discuss how CFEH might best assist you and your patients; and
- see the facility.
